

Into Reading Professional Learning

Our blended professional learning model moves beyond the one-size-fits-all approach to include in-person and online support that is flexible, collaborative, and personalized to meet your needs. Together, we help create meaningful learning experiences for long-term, sustainable growth.

Comprehensive Implementation Support

Your implementation will begin with **Getting Started with Into Reading Indiana**, and a **Professional Learning Guide** which provides suggestions for prioritizing content with manageable milestones.

Getting Started Modules and **Classroom Videos** on *Ed: Your Friend in Learning*[®], along with a **Guiding Principles and Strategies** resource, will help you hone your craft and discover new strategies and techniques for teaching.

Personalized Follow-Up

Our in-person and live online **Follow-Up** sessions focus on supporting key **Into Reading Indiana** topics. Choose from relevant 90 minute topics to create personalized Follow-Up experience:

- Maximize Learning with Digital Resources
- Plan and Prioritize Instruction
- Create an Effective Balanced Literacy Environment
- Apply *Notice & Note* Close Reading Strategies for Deep Analysis of Text
- Make Literacy Accessible for all Learners through Differentiation and Small Group Instruction
- Support English Learners in Reading, Writing, Speaking and Listening
- Cultivate Student Voice, Choice and Action through the Writing Workshop

Blended Coaching

Our blended coaching focuses not only on an **Into Reading Indiana** implementation, but emphasizes reading and writing content skills and instructional strategies to strengthen teaching and learning practices.

Our coaches will work with you in-person and online to analyze and set your goals, learn new instructional practices and apply them in your classroom. And, you will receive ongoing support from your coach through the **Coaching Studio**.

“By honoring the teachers’ questions and concerns, you helped them feel better about their implementation. Thank you, for helping our teachers help kids.”

– Jason Sutton, Director of Curriculum, Instruction and Assessment
