

Literacy Now... *Literacy for a Lifetime*

Students heading into life after graduation—to colleges and careers within a diverse society and global economy that demand strong literacy skills—need to be ready for what the world has in store.

Let's prepare students for these demands, and enrich each life through a **strong foundation of reading and writing**.

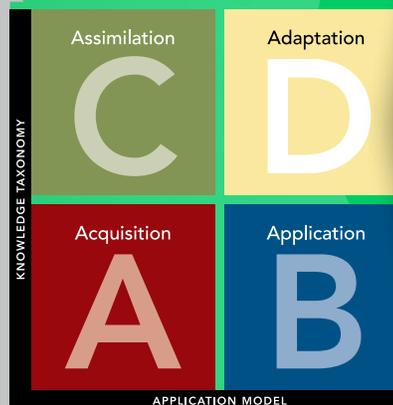

“ICLE is a true partner—our collaboration is built on a shared understanding of our vision and goals, and guided by a targeted plan of action.”

**Dr. Dwana P. White, Principal
Norfolk Public Schools, VA**

Our Vision for Students

We want to provide our students with Quadrant D learning opportunities—ones that center on higher order thinking to address real-world problems.

How we help:

ICLE's Literacy for a Lifetime (6-12): Authentic Reading and Writing solutions leverage high-impact strategies that increase critical thinking and develop adaptable literacy skills for school and beyond.

Solutions for Leaders

Instructional Practices Assessment

Examine classroom data on rigor, relevance, and engagement, identify challenges, and develop a strategic plan.

Leadership Coaching

Leverage 1:1 support tailored to your needs to elevate literacy instruction systemwide.

Leadership for Systemwide Literacy Courses

▶ **Creating a Culture Focused on Systemwide Literacy (6-12)**

Empower your team, set goals, and communicate with purpose to create a student-centered learning environment.

▶ **Sustaining a Culture of Literacy (6-12)**

Create accountability systems, build supports, and review data and benchmarks to sustain results.

Solutions for Teachers, Coaches, and Instructional Staff

Instructional Coaching

ICLE coaches work shoulder-to-shoulder with you to meet individual needs and provide guidance based on targeted goals. Taking time to analyze, reflect on, and explore new ideas as partners, coaches support your understanding and application of new content knowledge and effective instructional practices.

2-Day Literacy Institute

In this immersive learning experience, teachers learn and apply high-impact reading and writing strategies to increase rigor, relevance, and relationships in their classrooms. The Literacy Institute equips teachers to develop meaningful learning experiences that scaffold learning, illuminate thinking, and foster student ownership.

Day 1 outcomes include:

- ▶ Planning the purposeful implementation of impactful literacy strategies
- ▶ Encouraging a critical, attentive stance when reading non-fiction
- ▶ Developing effective lesson openings and closings using academic discussion
- ▶ Practicing and integrating strategies into instruction

Day 2 outcomes include:

- ▶ Using Nonfiction Close Reading Strategies for deep text analysis
- ▶ Creating rigorous and relevant writing prompts
- ▶ Establishing effective support structures for students as they respond to a prompt
- ▶ Developing a consistent process for monitoring student progress

Our Shared Journey
