

A PATHWAY TO

Comprehensive School Improvement

THROUGH ESSA
TITLE I FUNDING

Today's education landscape has changed drastically, and schools that have embarked on improvement plans will face even greater challenges. Assessment will be critical to identifying learning loss, along with evidence-based resources to quickly close the achievement gap.

HMH® can partner with low-performing schools and districts to **develop a pathway to school improvement with truly connected solutions** that prioritize equity and support students, educators, and leaders wherever learning takes place.

CONDUCT a Needs Assessment and Develop a Strategic Plan

As the country's leader in high-quality professional learning, HMH Professional Services with the experts at **Math Solutions®** and **Literacy Solutions™** will help you identify where you are and where you want to go—then partner with you to build an effective professional learning plan that drives student achievement while meeting the requirements for ESSA Title I funding.

- **Needs Assessment:** Guided by research-based best practices, consultants conduct a comprehensive instructional needs assessment.
- **Strategic Planning:** Consultants work with leadership to prioritize needs, develop an action plan and determine how to measure results.

BUILD Educator Capacity with Personalized Online Professional Learning

With **online professional learning**, HMH offers flexible solutions aligned to your unique needs. Together, we help build a sustainable culture of professional growth and student learning.

- **Maximize Program Implementation:**
Getting started and follow up courses, coaching, and a library of on-demand resources make the most of every instructional program.
- **Build Skills and Content Knowledge:**
Strengthen teaching practice with professional learning to develop and sharpen skills, build content area knowledge, and plan effective instruction for both in-classroom and remote settings.
- **Sustain Progress:** Job-embedded coaching paired with the video-powered HMH Coaching Studio provides personalized support to keep teachers on track to meet goals.

ELIMINATE

Achievement Gaps and Unlock the Potential of Every Learner

For students who have fallen behind or are experiencing learning loss for the first time due to interrupted learning and school closures, HMH offers **comprehensive, research-based instruction** that can be implemented flexibly to support in-person or remote instruction.

- **Assessment solutions** ensure every student is placed accurately and positioned for success, as well as measure growth and progress.
- **Literacy intervention and supplemental solutions** help students master foundational reading skills, acquire fluency, and expedite language acquisition.
- **Math intervention and supplemental solutions** build a strong foundation in number sense and problem solving, and accelerate progress to Algebra.
- **English language development solutions** meet students where they are and guide them to academic language proficiency and standards mastery.
